- A. Football Tournament games are scheduled for Saturday, November 7, 2015 and Saturday, December 5, 2015 - the same date of the SAT and SAT Subject Tests. Please tell all coaches & student-athletes now so alternative plans may be made. A listing of all dates and sports that may take place on scheduled College Board exam dates can be found on the MIAA website.
- B. The **College Board** offers a *SAT® Program Alternate Test Date Policy*. As stated in their published material: "The SAT Program will consider granting an alternate test date when the following criteria are met:
 1. The conflicting event must be unexpected. Regularly scheduled sporting events or previously scheduled school activities, such as a prom, are not considered unexpected. An event such as an academic or athletic competition, in which students have advanced through the competition or into post-regular season competition, can be considered an unexpected event."
- C. **SAT School Day**: Allows high schools to administer the SAT to students during the school day, thus avoiding weekend athletic conflicts. To date, the MA school districts that participate are Plymouth, Springfield, Revere, and most recently Fitchburg. SAT School Day is contracted through the College Board with participating districts. Contact Info: **Alan Bernstein, Senior District Director**, K-12 Services, New England Regional Office, The College Board, 1601 Trapelo Road, Suite 12, Waltham, MA 02451

2015 MIAA FOOTBALL TOURNAMENT

GENERAL INFORMATION

2. **Rosters:** The number of uniformed team members eligible for football tournament participation may vary based upon the following requirements: All athletes have been declared eligible according to MIAA rules by their High School Principal; only athletes who dress regularly as a member of the varsity team may be on the post season squad; and only uniform players will be allowed on the sidelines. Tournament rosters must be submitted via the MIAA website by October 21 (for North and South) or October 28 (for Central and West).
3. **Schedules:** Team schedules must adhere to the following guidelines to be eligible for the Sectional Tournament:

- **Minimum and Maximum Game Limitations**

Section	Minimum # of Games Played	Maximum # of Games Played
North	6	7
South	6	7
Central	7	8
West	7	8

- **Out of State Opponents**

Out-of-state opponents must be members of their NFHS state high school athletic association in order for the game to count toward the power rating system. Games played against schools that are not members of NFHS state associations cannot be considered for tournament qualification/power ratings (see MIAA Handbook Rule 39).

If an out-of-state opponent has played more than the MIAA Tournament maximum at the time of seeding, the results of that opponent's first seven games (eight in Central and West) will be used for power rating purposes.

- **Forfeited Games**

When a forfeit win is awarded to a school due to the termination of their opponent's football program or failure to fulfill their contractual obligation, the affected school has the option of accepting the forfeit win or playing a game against another school with the results of the newly scheduled game being used for power-rating purposes.

- **Postponed Games**

Postponed contests should be immediately re-scheduled on the first day that the teams do not have a scheduled competition (MIAA Handbook Rule 32.4).

- **Cut-Off Date**

No regularly scheduled games are permitted on the established cut-off dates. If a game is postponed due to weather on the day before the cut-off date, that game must be played on Sunday, October 25 (for North and South) or Sunday, November 1 (for Central and West) and results must be submitted to the Tournament Director by 4:00pm that day for seeding.

Teams will receive a power rating for tournament seeding purposes. Please see the Sectional Tournament Qualification and Seeding pages for specific Power Rating information.

7. Official Ball:

Sectional Quarter-Finals and Semi-Finals – Ball of choice, supplied by participating schools

Sectional Finals, State Semi-Finals and State Finals

Beginning with the Sectional Finals, the Wilson GST F1003 football will be the official ball. Two game balls will be provided by the Tournament Director to each team participating in the Sectional Finals prior to competition. In addition, Wilson has agreed that the F1001 (Traditional Pro Pattern), F1004 (GST Collegiate Pattern) and F1005 (Traditional College Pattern) can be used for these tournament rounds. All game balls must be approved by the Head Official at midfield prior to the beginning of the game.

8. Tie Games in Tournament Games

The MIAA tiebreaker system below will be used in all Sectional and State Tournament games.

Immediately following the conclusion of the 4th quarter, the teams will go to their team area for two minutes.

The officials will escort the captains to the middle of the field to conduct an **Extra Periods coin toss as prescribed in the NCAA rules.**

Each series shall begin at the ten-yard line unless a penalty overrides. First down chains will not be used. It is always goal-to-go. If penalty enforcement calls for an automatic first down, it will be first and goal.

For the first and subsequent tie breaking periods, any team that scores a touchdown must attempt a two point conversion by run or pass from scrimmage.

If there is a change of team possession during the last play of an overtime period (second series), **live ball personal fouls or live ball unsportsmanlike conduct fouls** by opponents of the team last gaining possession, that occur after the change of possession, gives the team in possession the option of putting the ball in play, where the penalty leaves the ball, for one down free of penalty or penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. This option is exercised only if the team last gaining possession is free of foul during the down.

Example: Second Series - Team B intercepts Team A's pass and, during Team B's run back, Team A commits a personal foul.

Ruling: Team B has the option of extending the overtime period for one down free of penalty, with Team B putting the ball in play where the penalty leaves the ball, provided Team B has not fouled during the down. Or Team B may choose to penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. (see MIAA Handbook Rule 69.3)

9. Halftime

Sectional Tournament Games - The home team will accept responsibility for the organization and administration of the half-time program. This program shall be conducted within the time limits established by the rules of the game.

State Semi-Finals and State Finals – Halftime information will be provided by the Tournament Director to participating schools in advance.

10. Medical Coverage

Sectional Tournament Games - The home team is responsible to provide a licensed physician, licensed athletic trainer or certified EMT. The medical person shall be responsible for both teams unless the visiting team has its own medical coverage, then each school's medical person/staff is responsible for the members of that team (see MIAA Handbook Rules 56.2, 69.2 and 97.4.2).

State Semi-Finals and State Finals - MIAA will provide Medical Coverage according to MIAA Handbook Rules. If a school has provided its own medical coverage, he/she shall be responsible for the members of that team (see MIAA Handbook Rules 56.2, 69.2 and 97.4.2).

11. Film Exchange

Schools must make available to their opponents, films or tapes of any two of their games that the opposing coach desires. If one of the teams does not take game films or tapes, there will be no exchange.

12. Postponements
